Dear Friends,

I would like to announce my return to inspecting after a year of "recharging". After 16 years, I have a new name, Home Report and a new number 215-0120. I am working independently and performing inspections myself. I will continue to serve you and our clients with the highest regards. Thank you in advance for your continuing support. Call to schedule for your next sales meeting or If I may assist in education please let me know.
